

Straight and Y-shaped adapters

Crush resistant adapter for dual exhaust

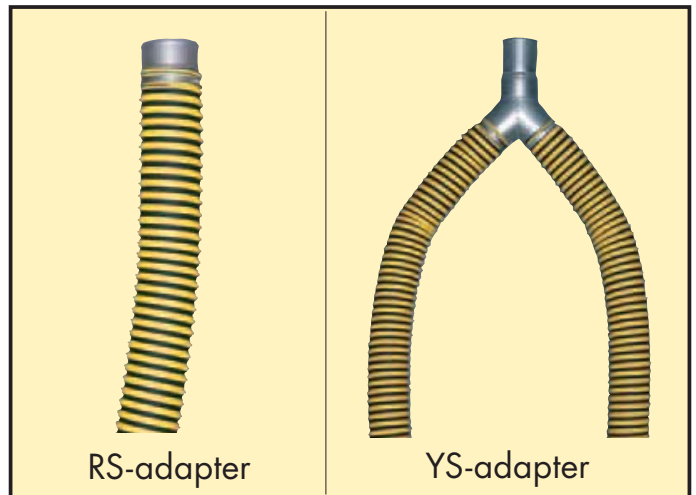

■ The RS and YS hose adapters are the solutions to the problem of lower hose wear and dual exhaust connections.

PlymoVent has reintroduced the RS and YS adapters. The RS and YS adapters are both made from crush resistant hose that will stand up to the day-to-day abuse of high volume workshops.

With a RS or YS you will not have to replace a full length of exhaust hose just because the lower section is worn or damaged.

The YS adapter is the perfect solution for dual exhaust vehicles. You can attach a rubber nozzle or optional bumper hook to keep the adapter in place.

Exhaust nozzle or upper hook sold separately.

TECHNICAL DATA

Straight adapter, RS – with one crush resistant exhaust hose extension

Prod. no.	Diameter	Length	Weight
RS-75	75 mm/3"	2.5 m/8.2 ft	1.9 kg/4.2 lbs
RS-100	100 mm/4"	2.5 m/8.2 ft	2.6 kg/5.7 lbs
RS-125	125 mm/5"	2.5 m/8.2 ft	3.6 kg/7.9 lbs
RS-150	150 mm/6"	2.5 m/8.2 ft	4.1 kg/9.0 lbs

Y-shaped adapter, YS – with two crush resistant exhaust hose extensions

Prod. no.	Diameter	Length	Weight
YS-75	75 mm/3"	2x1.5 m/2x4.9 ft	2.4 kg/5.3 lbs
YS-100	100 mm/4"	2x1.5 m/2x4.9 ft	3.3 kg/7.3 lbs
YS-125	125 mm/5"	2x1.5 m/2x4.9 ft	4.6 kg/10.1 lbs
YS-150	150 mm/6"	2x1.5 m/2x4.9 ft	5.2 kg/11.4 lbs
